Event: SPCET International Alumni Meet

Date: 22nd January 2026 (Saturday)

Time: 10:00 AM onwards

Organized by: Sardar Patel College of Engineering and Technology (SPCET) in association with SPEC Alumni Association

Key Highlights

The International Alumni Meet 2026 resulted in several positive outcomes:

1. Welcome address to the alumni, dignitaries, faculty members, staff and students.
2. Prayers marking the auspicious beginning of the event.
3. Address by Managing Trustee and Secretary Shri Shital Patel Sir, Principal Dr. Nanak Pamnai Sir and IQAC Coordinator Dr. Rutvij Joshir Sir highlighting the importance of alumni engagement and institutional development.
4. Inspiring speeches and experience sharing by distinguished alumni.
5. Interaction between alumni, faculty members and current students.
6. Discussion with students regarding SPEC Alumni Portal registration and joining, with guidance on the registration process and benefits of becoming an active member of the alumni network.
7. Awareness among students about alumni networking, mentorship, career guidance, internships, placements, and professional opportunities.
8. Introduction of the Alumni Donation Initiative and sharing of the official donation QR code to facilitate convenient digital contributions towards the development and various initiatives of the institution.
9. Networking and interaction among alumni from different batches and professional backgrounds.
10. Cultural and interactive activities.
11. Strengthening the relationship between SPECET and its alumni and creating opportunities for future academic, professional, and institutional collaborations.

Introduction

Sardar Patel College of Engineering and Technology (SPECET), Bakrol, successfully organized the **International Alumni Meet 2026** on **22nd August 2026 (Saturday)** at the college campus. The event was organized with the objective of strengthening the relationship between the institution and its alumni and providing a common platform for alumni, faculty members, students, and guests to interact and share their experiences.

The International Alumni Meet provided an opportunity for alumni to reconnect with their alma mater, meet their former classmates and faculty members, and share their academic and professional journeys with the present generation of students.

The event reflected the institution's continued commitment to maintaining strong and meaningful relationships with its alumni and utilizing the alumni network for the academic, professional, and overall development of students.

Objectives of the International Alumni Meet

The major objectives of organizing the International Alumni Meet 2026 were:

- To strengthen the bond between the institution and its alumni.
- To provide a platform for alumni from different batches and professional backgrounds to reconnect.
- To facilitate interaction between alumni, faculty members, and current students.
- To share professional experiences, achievements, and career guidance with students.
- To motivate students through successful alumni journeys.
- To encourage alumni participation in mentoring, internships, placements, research, entrepreneurship, and industry-academia collaboration.
- To develop a strong and active international alumni network for the future growth of the institution.

Inaugural Session

The International Alumni Meet commenced with a warm and cordial welcome to the distinguished alumni, guests, faculty members, staff, and students.

The organizing committee welcomed all the participants and highlighted the importance of alumni engagement in the continuous development of an educational institution. Alumni were recognized as an important part of the institution's legacy and as valuable contributors to its future growth.

The inaugural session created an enthusiastic and positive atmosphere and marked the beginning of a memorable gathering of alumni and members of the SPECET family.

Prayer

The inaugural ceremony commenced with a prayer, seeking divine blessings, peace, prosperity, and success for the International Alumni Meet 2026. The dignitaries, distinguished alumni, and faculty members participated in the prayer ceremony with devotion and respect. The prayer marked an auspicious and spiritually uplifting beginning to the International Alumni Meet 2026

Address by the Principal

During the event, The Principal Dr. Nanak J Pamnani addressed the gathering and emphasized the importance of alumni engagement with the institution.

The address highlighted the significant role alumni can play in institutional development through:

- Mentorship and career guidance.
- Industry interaction and collaboration.
- Internship and placement opportunities.
- Research and innovation support.
- Entrepreneurship and startup guidance.
- Academic and professional networking.

The gathering was encouraged to maintain continuous engagement between the alumni and the institution so that students can benefit from the knowledge and experiences of successful professionals.

Alumni Interaction and Experience Sharing

One of the major highlights of the International Alumni Meet 2026 was the interaction between distinguished alumni, students, faculty members, and guests. Alumni from different departments shared their valuable academic and professional experiences with the students.

Prapti Amin from IT Engineering spoke about the importance of technical knowledge, continuous learning, and adapting to changing technologies.

Divy Patel from B.Voc highlighted the value of practical education, skill development, and industry-oriented learning. Ridhhi Thakkar (Computer Engineering) shared her experiences and encouraged students to build strong technical and communication skills.

Monit Mistry from Civil Engineering emphasized professional ethics, practical knowledge, and confidence in facing workplace challenges.

Dulesh Patel from Electrical Engineering motivated students to explore new opportunities and focus on career development.

Shrutik Patel from Mechanical Engineering shared valuable insights about discipline, practical skills, innovation, and professional growth. Their speeches and interactions were highly informative and motivational, encouraging students to pursue higher education, global opportunities, lifelong learning, and active engagement with the institution.

Alumni Contributions and Institutional Development

The International Alumni Meet also emphasized the importance of alumni contributions towards the continued development of the institution.

The alumni expressed their willingness to support the institution through various initiatives such as:

- Expert lectures and knowledge-sharing sessions.
- Student mentoring programs.
- Internship and placement assistance.
- Industry-academia collaboration.
- Research and innovation activities.
- Entrepreneurship and startup mentoring.
- Guidance for higher education and international opportunities.
- Support for student development activities.

Such initiatives can help create a strong bridge between academic learning and professional requirements.

Networking Session

The networking session allowed alumni from different batches and professional backgrounds to reconnect with each other and with the institution. The session created an informal and friendly environment for sharing memories, professional experiences, and future plans. It also provided opportunities for establishing professional connections and identifying possibilities for future collaboration between alumni and the institution. The gathering strengthened the feeling of belongingness among the alumni and reinforced their connection with their alma mater.

Discussion on SPEC Alumni Portal Registration

An important part of the International Alumni Meet 2026 was the interaction with students regarding the **SPEC Alumni Portal**. Students were informed about the importance of registering and joining the alumni portal to establish a strong connection with the institute's alumni network.

The students were guided regarding the registration process and encouraged to complete their profiles on the portal. They were made aware that joining the alumni portal would help them stay connected with alumni, receive information about alumni activities, participate in networking opportunities, and benefit from guidance and professional interactions with alumni. The discussion also highlighted the importance of maintaining an active alumni network for strengthening interaction among **students, alumni, faculty members, and the institution**.

Students were encouraged to actively participate in alumni-related activities and make effective use of the opportunities provided through the SPEC Alumni Portal. The interaction received a positive response from the students, and they were encouraged to register and join the portal to become an active part of the SPEC alumni community.

Alumni Donation and Support Initiative

As part of the International Alumni Meet 2026, alumni were also informed about the opportunity to contribute towards the development and various initiatives of the institution through alumni donations. A **Donation QR Code** was made available for alumni to conveniently contribute towards the institution. The QR code provides a simple and digital mode for alumni to extend their support and contribute to the academic, infrastructural, student development, research, and other institutional activities.

Vote of Thanks:

The International Alumni Meet 2026 concluded with a heartfelt Vote of Thanks delivered by Mr. Meet Gokani Student from computer engineering department and Mr. Jay Patel Sir Assistant Professor in Mechanical Engineering Department. They expressed sincere gratitude to the respected dignitaries, distinguished alumni, management, principal, faculty members, staff members, students, and guests for their valuable presence and support.

They especially thanked all the alumni for taking time from their professional commitments to participate in the event, share their experiences, and interact with the students. Their inspiring words and valuable guidance provided students with motivation and practical insights into career opportunities, professional growth, higher education, and lifelong learning.

Mr. Meet Gokani and Mr. Jay Patel Sir also appreciated the efforts of the organizing committee and all faculty and student volunteers who contributed to the successful execution of the programme. They concluded by expressing hope that the strong bond between SPCET and its alumni would continue to grow and create meaningful opportunities for future generations.

The Vote of Thanks marked a warm and memorable conclusion to the International Alumni Meet 2026.
