Summary of International Alumni Meet

The International Alumni Meet 2026 was successfully organized by Sardar Patel Institute of Applied Science (SPIAS), Bakrol, bringing together alumni of the B.Sc. IT and M.Sc. IT programmes from India and abroad through a virtual platform. The event provided an excellent opportunity for alumni to reconnect with their alma mater, share their professional experiences, and strengthen their bond with the institute.

The programme was gracefully anchored by Mr. Akash Purohit sir. It commenced with a prayer, creating a positive and inspiring atmosphere. This was followed by the welcome address delivered by the Alumni Coordinator, Dr. Rekha Bhuriya madam, who highlighted the remarkable growth and achievements of SPIAS. She presented the institute's academic progress, student accomplishments, university examination results, and various co-curricular and extracurricular activities that continue to bring pride to the institution.

Our Principal, Dr. Mukund Chandra Thakur, addressed the gathering and shared his valuable insights on the evolving relationship between higher education and the industrial sector. He emphasized the importance of bridging the gap between academic learning and industry expectations and encouraged students to develop practical skills, professional ethics, and lifelong learning habits to succeed in today's competitive world. They discussed the technical and professional skills required in international industries and acknowledged how the education, guidance, and values imparted by SPIAS had played a significant role in shaping their successful careers. Their inspiring stories motivated the current students and demonstrated the global impact of SPIAS graduates.

Several alumni who are now serving as faculty members at international institutions also participated in the meeting. They expressed their gratitude towards SPIAS, appreciated the institute's continuous academic development, and congratulated the management and faculty members for maintaining high educational standards and achieving excellent results.

The institute had the privilege of inviting Ms. Jaanaki Patel and Ms. Hetal Modi as the distinguished guest speakers for the International Virtual Alumni Meet. They shared their
